We are so pleased you will be sharing such a significant day with Twin Oast Brewing and Quinstock Farm! We want our couples to feel relaxed and special on their big day. At this time, Twin Oast does not provide wedding coordination or decor assistance. We understand that weddings have a multitude of details and that is why we kindly require our guests to work with a Wedding Coordinator. Our Event Team will collaborate with your selected Wedding Coordinator to make sure your event runs perfectly.

When you book your wedding with Twin Oast, we reserve the whole weekend just for you! We want to make sure you and your vendors have ample time to rehearse, setup, decorate and enjoy. We allow our couples to choose the wedding times that work well for their needs. We do request that receptions end by 11pm. The space will need to be left as you found it by 11am the day following the wedding.

See our list of preferred vendors to assist you with your planning needs. See rental agreement for additional details.
